## Smart HIFI Wireless headphones

### Born that way gracefulness

Everyone has his own beauty. So does the headphone. The shape of the H-3 comes from human's luscious curves, which is fulfilled with natural grace and style, matching perfectly with those elegant people. There's always a charm enjoying the music.

### Enjoy your love of music

The H-3 gives you a real feel of being where the music is created. It comes with Bluetooth 4.1 aptX technology for high quality sound with an impressive dynamic range as well as professionally-tuned custom drivers. The crystal-clear mid and high frequencies make most music a delight to listen to, and it is comfortable enough so that you won't have to give your ears a rest every half an hour.
